

March 24, 2020

Dear 254Lawns customer,

As many of you are already aware, the COVID-19 is a rapidly evolving situation. While the circumstances around the world continue to change, 254Lawns is closely monitoring how it will impact our customers, employees and community as we strive to continue providing quality landscape and customer service.

We understand that Waco and McLennan County are under a "Shelter In Place" order, however after doing the appropriate research of what constitutes "essential business" we are in fact considered essential. We will continue to work as normal for now but will constantly be re-evaluating the situation day by day.

Also as you know we have had a lot of rain this spring and we are doing our best to keep everyones landscape looking great, please be patient with us over the next few weeks as we try to navigate this wet weather and keep on schedule as much as possible.

If you have any questions or concerns, please do not hesitate to contact us at 254-296-8151.

Sincerely,

Joe Maxwell
